

Friends of the Library to Hold Orientation Sessions

Wave 1 Nov 1984

The first of two sessions of volunteer orientation sponsored by the Friends of the Library will be held at the Wasatch County Library this Saturday, Nov. 3, 1984. The hours are from 10:30 a.m. until 12:00 noon. The instructor is Mrs. Vicki Renz, librarian and teacher at the Middle School, who has a Master's Degree in Library Science. She will cover the areas of use of the card catalog and reshelving books in this first session. The second class will be held next Saturday, Nov. 10th, at the same time.

Some volunteer services require specialized training, but there are many things that can be done by everyone. So, if you wish to be involved in this much-needed community service, don't hesitate to come to the classes or call Friends of the Library director,

Section 13 takes away from the checks and balances over the judicial branch of government. Our present constitution now states that "Judges may be removed from office by a two-thirds vote of both houses of the Legislature." That's what we
